

PROMOTION 2025/26

APM LED UV-CUBE III 365nm

Application Areas of the APM LED UV-CUBE III for

- UV-curable adhesives
- Optical UV fine cuts
- Curing / drying of paints, varnishes, coatings, and silicones
- Finishing of substrates and 3D objects

Advantages of LED Technology

- Low voltage and low heat generation
- LED lifetime > 20,000 hours

High Power Version

- Up to 160 mW/cm²
- Rotating table
- Nitrogen purging
- Oxygen monitoring

~~EUR 8'850~~ **Now only EUR 5'950**

Offer valid until January 31, 2026 (date of order receipt)

**LET'S STICK
TOGETHER.**
